

HADDONFIELD
FARMERS
MARKET

June, 2020

Written guidelines for disinfecting areas of market accessible to public:

Individual vendors will have hand sanitizers and use a disinfectant spray to wipe surfaces during Market hours. Hand sanitizer will also be provided

Written guidelines on how social distancing will be enforced during times market is open to include:

o How will the area of market be confined?

The market is in a lot that will have one entrance and exit.

o How many people will be allowed into the area at one time?

The market will be held in the office lot of Archer & Greiner PC. The space we are authorized to use in the lot Square is approximately 10,000 square feet. We will allow a maximum of 50 people into the lot at one time.

o Who will enforce the number of people allowed in at one time?

The Market Director and staff will keep a count of the people in the Square and monitor to never exceed 50 people.

o Will there be designated markings for maintaining 6' distances for customers inline? How?

We will have tape to mark and maintain the 6' distances within the line to enter the Market.

o Although it is not required to wear face masks as long as social distancing is maintained, the Health Department strongly recommends as per the CDC guidelines that face masks be encouraged.

We will have a sign strongly recommending everyone wear a face mask at the entrance.

Written policies and procedures for volunteers working the market.

We will have 2-3 Market staff as well as a community volunteer to enforce the number of people admitted into the market, as well as policing the traffic flow and vendors to make sure all the protocols are being observed such as the 6' social distancing, Vendors wearing face masks, disinfecting their tables and their products being properly handled per Camden County Health guidelines.

Examples of any signage that will be used at the site for:

o Parking- *is on the surrounding streets*

o Handwashing / face masks- *we will have signs at the entrance encouraging people to wear masks and to observe the social distancing guidelines.*

o Social distancing- *We will have 6 foot markings on the sidewalk where the entrance line will form*

o Entrances and exits- *We will have clear signs marking the one entrance and one exit.*
